Office of Legislative Counsel

Wednesday - 18 June 1952

	1. Congressman Armstrong requested the Department of the
	Army to interview a Russian recently arrived in the United
TATINTL	States. The Army turned the matter over to and Mr. STATINTL
	requested me to get the necessary information. I
	talked with Congressman Armstrong, who stated that the indi-
	vidual in question had served in the Russian Army during the
	war, had escaped to the American Zone in Germany where he
	had worked with the occupation forces and he had now come to
	the United States with his family and was seeking some employ-
	ment. The Congressman stated that while he was not sponsoring
	this individual, he appeared to be extremely intelligen $oldsymbol{t}oldsymbol{arepsilon}$ and
	felt that somebody should at least talk with him. An appointment
	was then arranged.
	2. Mr. Dompierre, of the office of Senator Ferguson,
	called regarding the retirement application of, STATINTL
	who had formerly been on the Senator's Committee staff, and
	who wished to retire under the special statute which permits
\checkmark	retirement at the age of 50 after 20 years of service involving
STATINTL	hazardous duty. I informed Mr. Dompierre on 19 June that
STATINIL	had sent his retirement check to CIA, which had
	forwarded it to the Civil Service Commission on 27 May and
	that CIA had forwarded his retirement application with a favorable
	recommendation to the Civil Service Commission on 13 June.
	I also pointed out that this would probably be a test case under
STATINTL	the special statute, and that if the retirement application was
	not accepted, would be re-employed by CIA. (I
	have Col. Baird's assurances on this point).
